

GFXC Request for Feedback – October 2024

Amendments to the FX Global Code and Disclosure Cover Sheets

Annex C: GFXC Proposed changes to the Platform Disclosure Cover Sheet (2024)

This document describes the proposed modifications to the Platform Disclosure Cover Sheet as part of the Three-Year Review of the FX Global Code. Participants in the public consultation process are expected to provide their comments on this document.

Platform Disclosure Cover Sheet

The addition of the table below is intended to further enhance the transparency and comparability of current data sharing practices through the Disclosure Cover Sheets.

The table shown below (and in the next page) would be included in the current Platform Disclosure Cover Sheet file.

Data Sharing Policies										
Data derived from client interactions		Delivery and usage of data						Opt-out option for client		Link to disclosure
Data sharing to third parties	Clarifying information, if needed	Real time sharing	Clarifying information, if needed	Data as a paid service	Clarifying information, if needed	Restrictions on usage of data	Clarifying information, if needed	Opt-out option	Clarifying information, if needed
